### AWARDS

Longest Drive

Closest to the Pin

(men & women)

Thank you for helping us serve our community with outreaches that include food, clothing, shelter, housing, disaster relief, bus ministries, church building, youth sponsorships, and outdoor dramas. Our current work includes establishment of senior housing for the elderly and a new church plant in the Ponce community of Puerto Rico. We announce the beginning of Amanda's Place: a place of safety for women and children.
